Tell me, will you,

Aren't you talkin' through
Your hat; can
You really, truly,
Hold your own?

A mouse or a bone.
If a cat shakes not
A bone, a rat can.

MURPHY, the Jeweler and Optician.

Mr. and Mrs. James Wise and daughter and Mr. and Mrs. Walter Wise and daughter accompanied the remains of the late Frank Wise from Newport to this city last afternoon. The body was taken to the home of his son, Mr. Robert Wise, in West Second street, whence the funeral will take place at 10 o'clock tomorrow morning. The interment will be in Maysville Cemetery.

A farmer living a short distance above Manchester on this side of the river was here yesterday on the hunt of a skiff. After a search the stolen property was found hid in the willows above Limestone creek. From the amount of feathers found in the skiff it is surmised that it was used by chicken thieves in boating their ill-gotten gains to this city. He returned home on the Courier with the boat.

PIONEER MERCHANT

James D. Smith of Newport Dies Thursday at Vanceburg

James D. Smith, for many years in the wholesale millinery business in Cincinnati and one of Newport's pioneer citizens, died Thursday at Vanceburg, where, with his wife, he was spending the summer months.

He was 79 years of age, and for over half a century had lived in Newport.

Besides his wife, who was Elizabeth Hooper, four children survive—Mrs. O. G. Fetter, Mrs. Samuel C. Reilly, Mrs. Sid. Seaman and Harry D. Smith, the latter a well known salesman who has visited Maysville frequently.

SOCIAL EVENTS

Mr. and Mrs. Alex. Calvert entertained with an elaborate dining on Thursday at their home near Lewisburg. Among those who were guests were Miss Mary Daulton, Mrs. Lizzie R. Morgan and daughter and Miss Julia Graham of this city.

Mr. and Mrs. J. P. Nash gave a dinner in honor of Mr. Nash's cousin, J. W. Powers, of Kansas City, Mo., who had not been here for twenty-five years. Mr. Powers was raised by S. W. Nash, father of J. P. Nash. Those present were Samuel W. Nash, father of J. P. Nash, and four sisters and four children. It was one of the happiest reunions that has taken place in many years, and all departed for their homes wishing that it will not be so long before they meet again.

FAVOR LARRY'S OFFER

Council Will Be Asked to Let Contract For Sewer Material

The Internal Improvement Committee last night agreed upon Larry Langefels & Co.'s bid as being the lowest and best, and it will recommend to Council on Monday night the acceptance of their offer to furnish material for the East End sewer.

Their bid was \$10,099.91, and the next lowest was \$10,537.89.

Larry agrees to give the best material on the market, and he generally keeps his word.

SPLENDID CONVENTION

Orangeburg Royally Entertained the Christian Churches

The Annual Convention of the Christian Church' Co-operative Association of Mason County was held in Orangeburg yesterday.

Notwithstanding the very inclement weather, a large crowd was in attendance and delegates from a majority of the Churches were present.

Through the untiring effort of the efficient Secretary, Mr. George H. Frank, reports were given from all the Churches except two.

The program for the Convention, arranged by the President, Mr. Clarence L. Sallee, and the Secretary, was an excellent one and all papers and addresses were unusually good, interesting, instructive and to the point.

The devotional exercises led in the morning by M. F. Marsh were fine, in that it had such a bright outlook for the future of the Church. The Address of Welcome by Rev. Charles Barnes, the Minister of the Convention Church, and the response by J. T. Kackley brought every one into a closer feeling of friendship among the County Churches.

Papers and addresses on the different departments of Church work were given by the following: "The Main Object of Sunday-school Work," Miss Ida Mayhugh; "The C. W. B. M. Work," Mrs. Mills and Mrs. Yancey of Lexington. The number of auxiliaries in the county 7; amount contributed \$571.52. Mrs. Yancey spoke especially of the C. W. B. M. work in the mountains. Kyle Brooks on "The Village Church." Round table discussion of Sunday-school work was led by Robert M. Hopkins of Louisville, and a Church round-table discussion by Rev. R. E. Moss of Maysville. Mrs. Hardin Lucas of Chicago delighted the Convention with three beautiful solos.

The devotional exercises in the afternoon, led by Mrs. Jennie Zeigler, were replete with good, practical suggestions to every one, both Churches and the Ministry. This was truly uplifting and shall ever be remembered.

The Orangeburg Church had its first experience in entertaining a Convention yesterday, but they went about it like veterans. All were cordially welcomed and at the noon hour the Convention repaired to the schoolhouse, where the lunch was served. The salads, fried chicken, boiled ham, croquets, sandwiches, pickles, coffee puddings, cakes, creams and ices were all simply delicious, served bountifully and enjoyed thoroughly.

A much larger crowd attended the afternoon session.

The officers elected for the ensuing year were—

President—W. E. Pogue of Mayslick.
Vice-President—W. Scott Osborne of Tuckahoe.
Secretary—George H. Frank of Maysville.
Millcreek was selected as the place for the next meeting.

Mr. M. Davis of Market street was taken suddenly ill last night, but is much better this morning.

Messrs. Thomas Russell and Joseph Power returned last night from their automobile ride to Louisville and back.

Contractor Lane yesterday received three or four additional pieces of timber needed for the big tobacco warehouse.

Misses Jessie and Lella Ballenger will leave next week to take up their residence in Cincinnati. Both young ladies have excellent positions in the same office, one as bookkeeper and the other as stenographer. Miss Jennie Hefflin will fill the position left vacant at Barkley's Shoe Store.

In the show window of Dan Cohen's shoe store in Second street are two stalks of tobacco taken from Mr. Sweet's patch above the city after Tuesday's hail storm. They look like they had passed through a threshing machine. There is not a piece of the leaf remaining on the stalks as large as a quarter.

Colonel George Gibson Burrows, with D. Hechinger & Co., sustained quite a fall in the rear of their place of business on last Thursday evening. Owing to the Colonel's dimensions he was jarred up considerably. Though able to be about he does not move as gracefully as of old.

THOMAS RANKINS.

Thomas Rankins, well known in this city, died Friday morning at 3 o'clock at the home of his brother, Mr. James Rankins, in Mt. Olivet.

The deceased was born near this city and was past 60 years of age.

He leaves two brothers, James and Deb.

The funeral takes place today. Interment in Mt. Olivet Cemetery.

The purest Paris Green at the lowest price is at Ray's Drugstore.

Rev. Homer Carpenter will preach at the Mayslick Christian Church tomorrow, morning and evening.

Mrs. James Toile of the West End, who has been under treatment in a Cincinnati hospital, is getting along nicely.

Price Raburn, aged 35, committed suicide at Owingsville by taking poison. Domestic troubles are said to have caused the act.

The union service will be held at 7:30 tomorrow evening at the Central Presbyterian Church, the Rev. R. E. Moss of the Christian Church preaching.

Miss Anna M. Wallace of the Restaurant Royal, Market street, Thursday received the first consignment of oysters on the local market for this season.

A letter received yesterday from Nashville, Tenn., by Mr. George Schroeder states that the Rev. Father A. T. Ennis is getting along nicely and that he will be able to sit up today.

At the recent meeting of the Grand Castle, Knights of the Golden Eagle, at Olive Hill, Mr. Allan D. Cole was nominated for Vice-Chief and Mr. Harry L. Walsh for Second Guard, the election to be held in December. Mr. Cole was also appointed a member of the Law Committee for the ensuing year.

The Clearance SALE Still Continues!

FALL GOODS ARE CLAMORING FOR ADMISSION. ALL SUMMER GOODS MUST GO. They are going; some are gone. We still have some great bargains in Wash Goods. The lots are too small to advertise. Some patterns have only one dress pattern in them, others only one waist pattern. The prices are ridiculous.

"Royal Waist"—Our Mr. Merz, who is in the East, has sent us another lot of "Royals." If the Royal Waist Co. knew that we are selling them for 98c we believe they would buy the lot back. A very good Ladies' Vest, tape neck and sleeve, 3 for 25c. While the lot lasts, a dandy Black Ladies' Drop-Stitched Hose, worth 20c, 2 for 25c. Try to match that Ribbon of ours at 29c. A few rolls of that Matting still left at \$5.98 per roll. 15c Colored Madras at 10c; the kind that don't fade.

It has been said for some time that our Penitentiaries are overcrowded. That is the reason, perhaps, for putting the balance of the thieves in the offices.

ONE of the great arguments of the Free-traders has been that with Freetrade we would have access to the "markets of the world."

Well, the only time the Freetraders have had control of the Government Under Protection in recent years was in the second Cleveland Administration. They did not put actual Freetrade into operation, but they came close enough to it to put most of the factories of this country out of operation. We did not get the markets of the world. They may have been open to us, but our manufacturers were going out of business so fast, under the ruinous Tariff schedules the Democrats had put into effect, that they could not seek the

markets of the world. Their own home, market, the best one to them, was invaded by cheap foreign goods, however.

Then the Protective Tariff system was reinstated by the people of this country and immediately the factories began to turn their wheels again. Within ten years we have demonstrated that the way to get the markets of the world is to protect our own market against invasion, build up our industries, and then branch out for foreign trade.

We have not had anything like Freetrade within those ten years, and yet we are selling millions of dollars worth of goods every year in the "markets of the world."

In Congress last winter Congressman HILL of Connecticut told of a recent visit he had made abroad. He said—

"I stood on the deck of a Japanese liner in the harbor of Vladivostok, Russian Siberia. In the hold of that ship was over 700 tons of American agricultural implements that had come across the Pacific Ocean from America for the use of the peasants of Siberia, and shipped there under the Dingley Tariff Bill. That night at the hotel I met the representative of a Locomotive Works in Philadelphia who told me had just put in 150 locomotives for use on the Siberian Railway, shipped there under the Dingley Tariff Law.

"Next day I rode 500 miles up the banks of the Amur river over American steel rails shipped there under the Dingley Tariff Law. Then I got aboard a steamer to go up the Amur 1,500 miles. It was American built, towed two steel barges made in Pittsburgh, shipped there under the Dingley Tariff Law.

"In the village of Gorbitz, Siberia, 10,000 miles from here, the village consisting of a dozen log houses, in a little store not over 8x10, we bought packages of candy wrapped in paper on which was printed the picture of WILLIAM McKINLEY, to popularize that candy among the peasants of Siberia, all shipped there under the Dingley Tariff Law."

That looks as if we had a slice of the markets of the world, but we never got anywhere near them under Democratic Tariff ideas.

Several Maysville young ladies and gentlemen attended the Fair ball at Vanceburg last evening.

After having reiterated his former confession, in which he admitted being the murderer of five persons, "Strangler" Alfred Knapp paid the penalty in the electric chair early yesterday morning at the Ohio Penitentiary for the killing of his wife, Hannah Goddard Knapp, at Hamilton, O., nearly two years ago.

A cyclone swept over North St. Louis, covering several city blocks. The Neidringhaus Stamping Mill was blown down and ten men are reported to have been killed. The list of injured will number over 50. At least a score of residences were blown down, and it is not known how great the list of dead and injured will be. The storm was not noticed in the central business districts. All the available physicians and ambulances were hurried to the stricken district.

The Handsomest Calendars Ever Shown in This City

The business man who spends his money in Maysville, simply puts that money into the hands of people who will in turn spend it with him again.

Did you ever think of that?

The business man who spends his money for printing in Louisville, or Cincinnati, or Chicago, or New York, puts that money into the hands of people who never did, nor ever will, spend a dollar in his store.

Did you ever think of that?

Now, in order that a good deal of this money may be kept at home, and spent by home workmen and home employers with home merchants, The Ledger Printery has secured the handsomest line of Calendars ever seen in this city, with a price limit to suit every need.

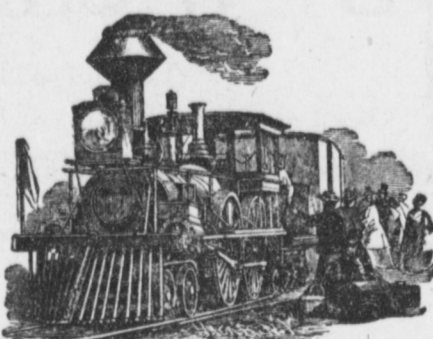

Mr. Richard L. Miles, The Ledger Printery's expert Printer, will call on you in a few days, dazzle your eyes with the beauties and tickle your bank account with the prices.

An impression in official and diplomatic circles that Russia is seriously contemplating the addition of China to the war zone, in the hope that the interference of other European Governments will stop a conflict that is draining her resources and threatening her with humiliating defeat, has been greatly strengthened by an interview at Bar Harbor, given by Count Cassini, the Russian Ambassador, in which he demands European intervention for the ostensible purpose of preventing further violation of the neutrality of China by Japan.

GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

TWO SIZES 50c and \$1.00

Chicago Business Man Cured

Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago, June 11, 1902. Cured His Wife

E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes: "My wife has been very bad with kidney trouble and tried several doctors without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

One Bottle Cured Him

A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."

FEARIS.

Well, it rained and layed the dust, anyhow. The tobacco crop is spreading since the rain.

The rain came too late to benefit the early corn.

James C. Pickett lost a fine cow last week by lightning.

Mr. S. C. West is blowing out a stock well with powder and dynamite.

Frank G. Himes is home from Illinois. He went out last spring to farm.

A rain from the Northwest Tuesday evening had considerable hail and wind.

Watch these items for news as to speakers and the G. A. R. Reunion next week.

C. B. Fry lost a blind work mare last week, by falling off a bridge over Fry Run.

Mrs. Mary Cole, Eliza Pickett and Nora Kennard went to King's Mills, O., Sunday.

John H. Bryant of Maysville was here this week gathering up the last batch of lambs.

A very important meeting of G. A. R. Post, No. 9, will be held on the campgrounds September 3d at 2 p. m., and Grand Army Commanders should attend for special business.

The latest word about the wind, hail and rain Tuesday evening is that the corn in places is twisted and tangled up and that the hail cut the tobacco up pretty badly, especially at Springdale.

The committees' reports in the past few days say that Hons. Leslie S. Applegate of Covington and W. G. Deering of Flemingsburg will attend the Reunion at Mower's Park August 26th and 27th.

Guess everybody and the cooks are going to the Vanceburg Fair from about here. They think there should be some reciprocation on their part—we'll see if we can get you and yours come to the Reunion. Nuff sed.

The Jr. O. U. A. M. is a patriotic society, founded on free speech, free press, free schools, restricted emigration laws, the Holy Bible and Republican form of Government. Therefore the G. A. R. seeks the Association, influence and encouragement of said societies. Come to the Reunion, boys.

SPRINGDALE.

Mr. John Hunt of Foxport was here Wednesday.

Mr. Preston Martin is down from Fleming county visiting relatives.

Crops of all kinds, more especially tobacco, were badly damaged by the storm Tuesday.

The Soldiers' Reunion at Mower's Park the 26th and 27th promises to be of unusual interest.

Mr. and Mrs. T. O. Brook visited their old home in Lewis county Wednesday to gather plums and other fruit.

While in swimming a few days ago Master Glenn Girvin, the little son of Robert Girvin, got beyond his depth, and but for the timely arrival of an older boy would have been drowned.

A hundred head of hogs, beside cattle, sheep and horses, are feasting on apples and other fruit that the storm of Tuesday thrashed from the trees on Maplewood Farm by wagon loads.

FOXPORT.

Miss Lizzie Christman is visiting at Mt. Sterling.

Aubrey Hackworth of Glen Springs was here Sunday.

R. C. Pollitt of Vanceburg was here one day last week.

Miss Dessie Brown of Cincinnati is visiting her parents here.

James Bowman and Otis Lightner of Weldonia were here on business Tuesday.

Several from here are intending to go to Vanceburg to the Fair this week.

Rev. Brookshire will begin a meeting at the Baptist Church here the 20th inst.

Mrs. Sara Smith of Springdale is the pleasant guest of her niece, Mrs. Alice Martin.

Rollie Poynter and sister, Miss Maggie, were visiting at Tilton Saturday and Sunday.

Lonnie Bobbitt, wife and two children of Cincinnati are visiting his parents here.

Several from Maysville have passed through here en route to Fox Springs this week.

Mrs. Charlie Leigh of Parina was the guest of her sister, Mrs. W. G. Martin, last week.

Mrs. I. J. Million and Mrs. O. W. Martin attended the Baptist Association at Maysville.

Mrs. Matilda Craig and Cryus Irvin, wife and daughter of Trinity visited John Carpenter last week.

Rev. Samuel McGuire began a protracted meeting at the Valley Church the 18th of August.

Mrs. W. T. Montgomery of Corum, Oklahoma, is the pleasant guest of her sister, Mrs. Lucy Doyle.

School began in District No. 71 at the Valley last Monday, with Miss Maggie Carpenter as teacher.

We are informed that there will soon be a wedding in town. Ask one of our young merchants for particulars.

Died, since our last report, Mrs. Harriet Luman, widow of the late Joel Luman. Interment in Mt. Carmel Cemetery.

Mrs. W. G. Anderson of Lancaster and her granddaughter, Miss Young, of Chicago, are visiting Mrs. J. S. Bowman.

Mrs. Bettie Florence and son, Charles, daughter, Ollie, and Hence Whistman of Bethel, Bath county, came down on a visit last week.

Mr. Smith Gardner and sister, Miss Anna, of Mt. Carmel, were the guests of their sister, Mrs. Santa Million, on Graham, Sunday.

Mrs. James Tiller and son, Earnest, and daughter, Mrs. Retta Johnson, of Ironton, who have been visiting here, have returned home.

Quite a hail storm struck here last Tuesday evening. Much damage was done to growing crops, and several windows were broken for different ones, we learn.

Miss Edna Doyle gave a musical last Saturday night—music on organ by Miss Rosa Million, and violin by Messrs. Ward and Humphries of Muse's Mills. Several of the young folks were present.

Married, at the home of the bride last Wednesday, Talmage Ross and Miss Anna Dalton. It was the fourth venture for the groom and first for the bride. May peace and happiness abide with them.

Died, Sunday morning, at her home near Tacoma, Mrs. Joe Bolding, nee Miss Dellie Moore of this place. Funeral service was held here Monday morning by Rev. Brookshire. She leaves a husband, five children, a mother and several brothers and sisters, besides a host of other relatives and friends to mourn her early departure to that better land. Her remains were laid to rest in our little cemetery.

The Death Angel entered the home of John Hunt last Sunday morning and took from them their daughter, Mrs. Nancy Hughes. The young husband, father, mother, sisters and brothers all have our sympathy in their sad bereavement. Interment in the cemetery at this place last Sunday afternoon.

By Miss Helen Braham, aged 10 years, of Cincinnati.

THE VIOLET.

The violet chooses a shady nook
To make her soft, green bed;
"I like a beautiful, quiet place,"
She once to a daisy said.

She sits all day long
And hangs her head,
And pays no attention
To the tulips red.

Some say she is weeping,
Some say she is glad,
Some say she is longing,
Some say she is sad.

SPRING.

Spring has come
In her beauty dressed,
And the blue birds and robins
Are building a nest.

The flowers are playing
In the meadow outside,
And the boys are playing
In the field so wide.

THE SUNSHINE.

Good morning, happy sunshine,
Smiling through the bowers,
Staying there to smile on us
Through all our happy hours.

We love to watch your sunbeams
Playing up so high;
Will you not let us come, too,
And play in the beautiful sky?

You Never Know the Moment When This Information May Prove of Infinite Value.

It is worth considerable to any citizen of Maysville to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itchiness of the skin, for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

Mr. J. C. Gabby of 925 East Second street says:

For many years I suffered severely from itching hemorrhoids. I bought every remedy I heard of, but to do what I might the trouble grew worse instead of better. It was particularly aggravating after I retired and I lost much sleep because of the intense itching. I had the good fortune to learn of Doan's Ointment, and I bought a box at J. Jas. Wood & Son's Drugstore. The wonderful relief I obtained from its use was almost beyond belief. I soon felt that I was cured. I continued the treatment for a time, however, to make assurance doubly sure.

Forsale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
